**MISSION**
To forge cohort connections that revolutionize population health science by providing sustainable data infrastructure, cultivating a collaborative research environment, and promoting policies and best practices that foster connectivity, interoperability, and reciprocity.

**VISION**
A global community of cohorts working together to advance science and improve health for all.

**Our Values and Guiding Principles (IIDEA)**
- We are **INTENTIONAL**
- We have **INTEGRITY**
- We embrace **DIVERSITY**
- We strive for **EQUITY**
- We act with **AUDACITY**

**Strategic Directions**
In the next 3 to 5 years, we will focus our efforts to...

- Demonstrate that IHCC Generates Impactful Science
- Enable Discovery and Connectivity of Cohorts for Collaboration
- Make it Possible for All Cohorts to Contribute to IHCC Scientific Challenges
- Build a Strong Governance and Operational Foundation
