

# Call for Abstract Submissions

We are currently accepting abstract submissions for the *PRECISE-IHCC Conference*, scheduled on *August 21-23, 2024* in *Singapore*.

This conference aims to:

- **Encourage** Scientific Exchange
- **Translate** Precision Science to Impact Patients
- **Showcase** Global Advancements in Genomic and Precision Medicine
- **Bring** Diverse Perspectives on Global Challenges
- **Champion** Early-Career Scientists in Genomic and Precision Medicine
- **Enhance** Cohort Studies and Biobank Integration for Translational Impact Precision Medicine

Submitted abstracts should contain recent unpublished scientific, educational, or technological developments pertaining to genomic medicine and/or precision medicine.

In addition to being considered for physical posters, submitted abstracts will also have the opportunity to be selected for a limited number of oral presentations.

Please be sure to select in the form if you want to be considered for an oral presentation.

**Deadline:** Sunday, March 31, 2024  
at 11:59PM EST/ 12:59 PM SGT

Submit your abstract at this link:
